The Tower Family

Dr. Robichaud

The Moffitt Family

A \$10,000 gift over a period of 5 years will give you the opportunity to name a patient room in the newly modernized Chaleur Regional Hospital.

Make Your Mark:

NAME A ROOM AT YOUR REGIONAL HOSPITAL

The Chaleur Regional Hospital modernization project provides a number of opportunities for individuals, families, organizations and corporations to leave a lasting legacy by naming a room in the future state-of-the-art facility. Naming opportunities within the expanded hospital will be based on giving levels, starting with a commitment of \$10,000. For donors that wish to make such a significant donation, a plaque can be put up to have a hospital room named in their honour or in the honour of someone special in their life.

Just like these donors

- **Dr. Robichaud and Groupe Belle-Île** have both made pledges to make a \$2,000 donation every year for five years, totalling \$10,000. Dr. Robichaud wanted to confirm her commitment to her patients and will be recognized with a plaque in the Dialysis Department. As for Groupe Belle-Île, they wanted to support the Mother-Child Program and a patient room in the Pediatric Department will be named after them.
- Others may choose to honour a loved one: **Jason and Jennifer** made a pledge of \$10,000 and a post-Caesarean room in the Mother-Child Program will be named after their daughters.
- **The Tower Family** made a pledge of \$25,000 and the waiting room in the Obstetric Clinic will be named after their parents.
- Groups such as the **Bathurst Kinsmen Club** and **Petit-Rocher Knights of Columbus** also made pledges of \$25,000 and \$37,500, and their organizations will also have spaces named after them.

Private patient rooms

Eighty-five percent of the patient rooms in the newly modernized hospital will be designed for single patient use. Private patient rooms reduce the risk of infection and provide patients with increased privacy and comfort. These rooms will include an electric bed, a chair, a sofa bed, and a treatment stand. You could name a room with a five-year pledge totalling \$10,000.

Other naming opportunities

For more information on naming opportunities at the Chaleur Regional Hospital, please contact the Chaleur Regional Hospital Foundation at 506-544-2370.

All pledges will support the \$5 million Major Fundraising Campaign

By becoming a leading partner in our campaign, you will enable us to build and equip high level facilities. In concrete terms, your generosity will contribute to the acquisition of leading-edge equipment that will help us continue to care for our community and meet the challenges of advanced and compassionate care in the 21st century.
